MEMORANDUM FOR RECORD

SUBJECT: Engineer ALC Information Letter

1. This information letter is intended to assist incoming Engineer Advanced Leader Course students with reporting and in-processing.
2. You will be billeted at one of five locations on Fort Leonard Wood due to the Privatization of Army Lodging (PAL). IHG Army Hotels, located at Building 470, will determine your building, room number and mailing address at check-in. You must call 1-573-596-0665 to make and verify reservations. Due to the high volume of students, you may be referred to a hotel off the installation. If this occurs, there will be no requirement to pay out of pocket. You must check in with IHG Army Hotels upon arriving to the FLW area. Ensure that your **CAC Card (know your PIN) is functional and it has NO restrictions on it**, if you don't do this it will cause a delay in your training and in some cases it will cause disruption of activities. Also see if your unit will authorize a rental car and in and around miles, we cannot authorize it on this end.
3. All students that are TDY will be issued a Military Training Service Support (MTSS)-5 meal card for the duration of the course. ALC students will have meals provided 5 days per week with full per diem on weekends and Federal holidays. Please refer to the Engineer ALC webpage for more info. Fort Leonard Wood students will have a MTSS 7 meal card from their unit upon arrival of class start date.
4. **Non** Fort Leonard Wood personnel must check into Fort Leonard Wood lodging by the **Report Date** that is identified in **ATRRS**.
